

FAA Safety Team, Portland FSDO presents:

Soup and Chowder Seminar - Winter Flying

Airplanes don't always mix well with ice and snow. Join FAA Safety Team Representative Rob Montgomery for an interesting look at airframe icing, runway contamination and some practical tips for safe VFR and IFR operations this winter. After the seminar, warm up with some soup and chowder. Southern Maine Aviation will be sponsoring a chowder contest, so feel free to bring your best entry! (To sample the chowder, a small \$7.00 donation to the Food Pantry of Sanford is requested.) Coffee and sweets will be served before the event, starting at 9am.
